Q2. Does the Hostinger 30% off coupon stack with the base plan discount?

Yes. The 30% off referral coupon applies **on top of** Hostinger's existing base plan discounts. This means combining the 30% coupon with the 48-month plan — which already carries up to 80% off — results in total effective discounts that can exceed 83–86% off the full regular price.

Q5. Do I need to enter a code at Hostinger's checkout?

No. When you click our referral link, the extra 30% discount is pre-applied automatically. Your cart will show the reduced price without you needing to find, copy, or enter any coupon code. This also means there is no risk of the code being expired or invalid.
